# HOUSE . . . . . No. 00177

*By Ms. Alice K. Wolf of Cambridge, petition (accompanied by bill, House, No. 00177) of Kevin G. Honan and others relative to school exclusion data and school dropout reduction. Joint Committee on Education.*

## The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

*An Act to respond to school exclusion data and reduce school dropouts.*

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 71 of the General Laws is hereby amended by inserting after section 37H ½ the  
2 following section: -

3 Section 37H ¾. (1) Each superintendent of schools shall notify the commissioner of education  
4 of all disciplinary exclusions of students from school, and shall report to the commissioner the  
5 alternative education services provided to students. On or before September 1, the commissioner  
6 shall file an annual report with the joint committee on education, arts and humanities, and with  
7 the offices of the clerks for the house of representatives and the senate, concerning the number of  
8 disciplinary exclusions in public schools, by grade level, race, gender, special education status,  
9 socioeconomic status, and English language proficiency, the duration of exclusions, the reasons  
10 for exclusions, the total number of school days in the school year students were excluded from

11 school, the alternative education options provided to students and the number of students re-  
12 admitted under the provisions of this section. The department shall use its existing data  
13 collection tools to obtain this expanded information from districts and shall modify those tools as  
14 necessary to obtain the information. Each superintendent shall ensure that the annual reporting of  
15 data on disciplinary exclusions is made on or before August 1 to the commissioner. To ensure  
16 consistency with federal reporting requirements, annual reports from the superintendents and the  
17 commissioner required by this subsection shall collect and report publicly the disaggregated  
18 school discipline data at the state and district level for all students, including those not identified  
19 as having a disability, by all categories currently required by 20 U.S.C. § 1418.

20 (2) The commissioner of education shall analyze the disciplinary exclusion data received from  
21 the superintendents, and shall meet, at minimum, the federal requirements at 20 U.S.C.  
22 §1412(a)(22). Pursuant to regulations to be promulgated by the department, for each school that  
23 excludes a significant number of students for more than ten days cumulatively in a school year,  
24 the commissioner shall investigate and, as appropriate, shall recommend models that incorporate  
25 intermediary steps prior to the use of exclusion. The results of the analysis shall be publicly  
26 reported at the school district level.
